**Luke 3:6**

"And all people will see God's salvation."

"Salvation" is one of those religious words that we hear and say so often that the impact of its meaning can be lost to us. The word itself in the original language of the New Testament Greek Scriptures means "to be delivered" or "rescued" from a desperate situation, one from which we could never rescue ourselves. Think of being trapped on the 20th floor of a burning building where there is no way out. Our survival depends entirely upon someone rescuing us from danger. If left on our own, we would die. We would need a "Savior" to furnish us with "salvation".

In like manner, spiritually speaking, we are unable to rescue ourselves from the death and hell that our sins deserve. We can try as hard as we can to "be right" with God but there is no way out. Salvation lies outside of us. But the good news is that it is there. Salvation exists in the person of our Savior, Jesus Christ. And it is ours. The Apostle Paul put it this way in his letter to the Colossians 1:13,14 - ***"For he [God] has rescued us from the dominion of darkness and brought us into the kingdom of the Son he loves, in whom we have redemption, the forgiveness of sins."***

This is the time of year to especially focus our attention on our salvation. One way to do this is to try and imagine not having it. What would our lives be like if Jesus had never come, or if we didn't know Him? The Apostle Paul describes it as a life without hope. The Apostle Peter speaks of life without Christ as being empty. And King Solomon in the Book of Ecclesiastes talks about life without God as being meaningless, "a chasing after the wind".

But those words don't describe us. We have Him. Christ has come, not only into the world, but into our lives. And He brings with him His perfect life, His sacrificial death in our place, and His glorious resurrection with which he sealed the deal. We have that "salvation" that both the prophet Isaiah and the gospel writer Luke spoke about (Isaiah 40:5 and Luke 3:6). "We are saved"!!! What great news! Let us appreciate it especially during this Advent season.

This is a general reminder to all students and parents. Our uniform policy can be found in your school handbook. All students should be wearing navy blue pants. Thank you

#### **Uniform Reminders**

As the weather grows cooler please remember that if your child is cold in their classroom that they may wear a navy blue cardigan sweater (**NO HOODED SWEATERS**) that meets the uniform policy. All shirts worn underneath the uniform shirts should be a **solid white** – no prints or colors on under shirts. Students may wear a solid white turtleneck under their uniform shirt. The temperature of the classrooms will be between 68 and 70 degrees once the heating season begins.

#### **Fake Nails**

Fake nails should not be worn to school. The nails become a distraction to the student wearing them as well as a possible safety issue involving scratching and breaking. Thanks!

#### **Not feeling well?...**

If your child is **coughing, sniffing, sneezing** and/or **not feeling well**, please keep him or her home. A sick child has a difficult time concentrating and he or she may also infect the rest of the class. Please make sure we have a current phone on file as well in case we need to contact you during the school day. Thanks!
