**ST. PHILIP'S EXCEEDS EXPECTATIONS ON SCHOOL REPORT CARD**

Our 2016-17, [St. Philip's accountability report card](#) is now available. Each year the Department of Public Instruction compiles a school report card for all schools and districts that receive public funding. It is exciting to announce that St. Philip's Lutheran School received a score of 79.7 out of 100. This score meets the criteria to be identified as a school that Exceeds Expectations, which is the second highest of the five categories on the report card. If you have questions about the school report card, please contact Mr. Schapekahn.
