Track and Field - All students in grades 5–8 are invited to participate on the 2024 St. Philip's Track team. The first official practice will be held on Monday, April 8th. Just like in other sports, each of our students will first have to meet the academic and behavior requirements of the classroom. The students that do come out for track must understand that, to be competitive, the coaches will put students into events based upon abilities. Not every student can be in the sprinting events or jumping events. The coaches will always do what is best for the students. We will try our best to put them into a position to be successful. If you have any questions, contact Mr. Schapekahm at 414-659-4688.
