## LOG-IN INFORMATION

St. Philip's Lutheran School uses the online gradebook called PowerSchool. This powerful software allows for the gradebook to be maintained by the teacher and viewed online by the parent all at the same time. This is a valuable resource in keeping the lines of communication flowing between the school and the home.

Parents may click the link below to be taken to the login page for their PowerSchool account. Your child will also be bringing home instructions on how to log-in to your child's account.

The new school year has brought many changes to St. Philips including the addition of a school counselor, Mrs. Laura Reinke. Mrs. Reinke joins us from Christian Family Solutions and will be at St. Philips every Tuesday and Thursday during school hours. Since many children and teens struggle with mental health issues, behavior or emotional problems, Mrs. Reinke will be available to provide individual counseling in order to help these students make positive changes that can encourage their success at school, at home and in life.

“As your school counselor, my goal is to partner with families and teachers, relying on the healing love of Christ, to provide guidance and support to the students of St. Philips.” Mrs. Reinke

So, if you see Mrs. Reinke around our campus, please introduce yourself. And, if you receive a call from her, please call her back. Like all of our teachers and staff here at St. Philips, be assured that Mrs. Reinke is committed to your child’s success and well-being.
