### **Coronavirus & St. Philip's Lutheran School Update**

Through the Department of Health, Governor Evers' latest order states that **Wisconsin schools "shall remain closed for the duration of the public health emergency or until a subsequent order lifts this specific restriction."**

This means that the length of our closure is no longer tied to a date but is now indefinite. With our Board of Education's approval, St. Philip's Lutheran School is committed to providing academic continuity to all of our students through virtual learning and paper packets. All students were provided a packet of work as well as log-in information for on-line learning.

Above all, as we navigate this unexpected change, let us remain fixed on that which does not change. We are redeemed children of God who see these current events as temporary challenges in a temporary world. In his love for us, God will find ways to draw us closer to him and bless us. May our eyes be open to those blessings and may we not lose sight of the eternal home he has provided for us in his Son Jesus Christ.

We had 106 applications verified and accepted during the first and second enrollment periods. Remember that it is necessary to enroll for Choice through an online application. After completing the online enrollment, you will need to send in the necessary documentation to the school office that is requested by the end of the online application period. ### **Counseling Services**

We recognize this time of school closure will bring with it different types of challenges. If you or your child are in need of any counseling based services, or are just looking for another adult to bounce ideas off of, please do not hesitate to reach out. The faculty and staff of St. Philip's are ready and willing to assist you. More specifically, you and your child will have access to two licensed counselors who are ready and willing to support you and your children.

### **Hot Lunch**

St. Philip's will not be offering hot lunches to students during Virtual Learning Days. However, in a recent update from the Department of Public Instruction, we have learned that all Milwaukee resident students under the age of 18 are eligible to utilize the Milwaukee Public School's "Stop, Grab, and Go" food service locations. This includes all St. Philip's students that live in the city of Milwaukee. MPS will distribute a packaged breakfast and lunch at 20 sites across the city Monday through Friday from 11 A.M. to 1 P.M. beginning March 16, 2020. The Grab and Go pack will include lunch for that day and breakfast for the following morning. Families can select any convenient location from the list below to pick up breakfast and lunch items.

## Synod wide Holy Week messages

2020/03/31/in Together

Brothers and sisters in Christ,

Many congregations throughout the synod have been, or soon will be, forced to find alternative ways to gather around God's Word. My wife and I have already spent two Sundays worshipping at home via the online worship provided by my congregation. I'm gratified that so many congregations have moved so quickly to continue to serve their members with the comfort and guidance of the Scriptures.

This Sunday evening, Palm Sunday, I will be delivering a brief message to the members of our synod in an online video broadcast. The message will be broadcast live at 6:00 p.m. (central). I invite you to access that message [live online](#). I look forward to speaking with you. If you are not able to view the video when it is broadcast live, it will be archived online.

A week later, we will be celebrating our Savior's resurrection on Easter Sunday. Our Easter Sunday worship will be different than any we have ever experienced. Most likely you will gather "virtually" with members of your congregation (or that of another congregation) to gaze at the empty tomb and praise God for what he has done for us.

Not to replace your Easter morning worship, but to supplement it, we will be offering an opportunity for our entire synod to gather online for a special Easter Sunday evening service to be broadcast from Wisconsin Lutheran Seminary at 6 p.m. (central). We will gather as one family of believers, from across the country and around the world, not only to celebrate our Savior's Easter victory but also to express our unity of faith and mission as members of the Wisconsin Synod. The theme of the service will be, "Together at the Empty Tomb." Wisconsin Lutheran Seminary President Earle Treptow will deliver the Easter message. A small choir, along with a few instruments, will enhance the worship with music and songs of praise. I'm thankful to Pastor Jon Hein, coordinator of WELS Congregational Services, for planning and coordinating this event. I look forward to being with you for this special Easter celebration. You can watch it [live online](#). Stay online after the service for a live Q&A session hosted by President Treptow and Rev. Hein, where viewers can ask questions.

Elsewhere in this issue of *Together*, you will find information and resources that we have gathered to help congregations begin to make use of the CARES Act. This information, as well as the information provided on the [synod website](#), will be continuously updated whenever anything new develops.

**One other important item: President Mark Zarling of Martin Luther College has been diagnosed with the COVID-19 virus and has been hospitalized in Mankato, Minn. Please join me in approaching the throne of grace, fervently asking God to keep President Zarling and all those afflicted by this worldwide pandemic in his loving care and to grant them a full recovery. Our times, as well as President Zarling's, are in God's hands—no better place to be.**

Serving with you in Christ,  
WELS President Mark Schroeder
