LUNCH REMINDER:

Students may bring a small bag of chips, a sandwich or a piece of fruit to add to their hot lunch. No soda is allowed at school. If a student brings juice to drink with their meal it should be **100% juice** not juice drink or Koolaid. No glass bottles please.

STUDENTS WHO BRING THEIR OWN COLD LUNCH SHOULD PLAN TO KEEP THEIR LUNCH WITH THEM. WE DO NOT HAVE SPACE IN THE REFRIGERATOR FOR STUDENT LUNCHES. A SUGGESTION WOULD BE TO HAVE AN ICE-PACK IN YOUR CHILD'S LUNCH. IF YOU WOULD LIKE TO HAVE A MILK FOR YOUR COLD LUNCH YOU MAY PURCHASE A MILK FOR \$.35 CENTS PER DAY.

Fall Map Testing

During the week of **September 7th – September 10^t** your child or children in grades K5 through 8th grade will take tests called Measures of Academic Progress (MAP). We give students MAP tests to determine your child's instructional level and to measure academic growth throughout the school year, and from year to year in the areas of Reading, Language and Math. Your child will take the tests on a computer.

MAP tests are unique in that they adapt to be appropriate for your child's level of learning. As a result, each student has the same opportunity to succeed and maintain a positive attitude toward testing. And with MAP tests, we can administer shorter tests and use less class time while still receiving detailed, accurate information about your child's growth.

CELL PHONE REMINDER

Students may not use cell phones during school hours (7:00 am – 6:00 pm). Cell phones must be turned off and turned in to the school office during school hours. Parents who need to get in touch with their child should call the school office. Detentions will be issued for unauthorized usage or possession.

BLUE FOLDER

All of our school families have received a blue folder containing all of your child’s registration papers. There were a number of forms in the folder that need to be completed and returned to school. If you need another copy of something, please contact the school office.

LOG-IN INFORMATION

St. Philip’s Lutheran School uses the online gradebook called PowerSchool. This powerful software allows for the gradebook to be maintained by the teacher and viewed online by the parent all at the same time. This is a valuable resource in keeping the lines of communication flowing between the school and the home. Parents may click the link below to be taken to the login page for their PowerSchool account.

and Mrs. Kaitlyn Wong, 3rd grade teacher. *(on the left)*
Welcome to SP, and God's blessings on your ministry here!**

Mrs. Lydia Prange

My name is Lydia Prange, and I have the privilege of serving this school year as the second grade teacher at St. Philip's. In 2018 I graduated from Martin Luther College in New Ulm, MN with my Bachelor of Science and Education degree with an emphasis in music. The past three years I have taught in first grade. I spent my first two years at Mt. Calvary in Waukesha, WI, and this past year I served in Florida at St. Paul's in Beverly Hills. My husband Joel and I have been married for three years, we live in Thiensville, and he will be in his final year at Wisconsin Lutheran Seminary in Mequon, WI. After this year he will be assigned as a Pastor to serve in a WELS congregation. We eagerly anticipate where the Lord will have us serve. In my free time, I enjoy listening to or playing music, going to see Broadway musicals with my husband, and traveling.

Mrs. Kaitlyn Wong

I am Kaitlyn Wong and this will be my second year of teaching. Last year I was blessed to teach 7-8th grade in Green Bay. My husband, Nate, has one more year left at the Seminary. We eagerly anticipate how the Lord will use us next! I am from Phoenix, Arizona and love warm weather. Some of my favorite things to do are go for bike rides, read, and watch the sunset. I am excited to teach 3rd grade this year and look forward to meeting the St. Philip's family!

Dear Parents/Family Members and Scholars,

We have many wonderful extracurricular activities at St. Philip's. This year we'd like to once again offer an opportunity for our young scholars in grades 1-4 to participate in the **Cherub Choir**. We will meet after school on **Thursdays from 3:30-4:30** in September through December. This opportunity will begin next Thursday, September 9th with an informational meeting for the scholars. This will give them the opportunity to get a sense of what the group will do without committing to it. For those scholars who decide to participate in this opportunity, our first official gathering will be on Thursday, September 16th.

Students who would like to be in Cherub Choir will need to be available for practice each week as well as be present on Sunday November 21st and Sunday December 19th to sing in the church service. They will also need to be present for church on the same Sundays that our school body is scheduled to sing. Currently this includes October 17th, December 24th, February 20th and April 10th.

In accordance with our school policy, students participating in extracurricular activities must remain in good academic standing. They are also required to conduct themselves appropriately at all events and practices. We are excited to offer this opportunity and look forward to singing for the Lord in the weeks ahead! (Students will be bringing home a permission slip to sign.)
