LOG-IN INFORMATION

St. Philip's Lutheran School uses the online gradebook called PowerSchool. This powerful software allows for the gradebook to be maintained by the teacher and viewed online by the parent all at the same time. This is a valuable resource in keeping the lines of communication flowing between the school and the home. Parents may click the link below to be taken to the login page for their PowerSchool account.

The start of a new school year always brings change and challenges; however, virtual learning and coronavirus concerns have added a significant layer of stress to an already stressful time of year. St. Philip's recognizes that the emotional needs of its students are as important as their academic needs, especially in our world today. In order to help meet the emotional and behavioral needs of our students, St. Philip's welcomes back Mrs. Laura Reinke, a counselor from Christian Family Solutions, to help address these needs. Mrs. Reinke is able to provide virtual counseling so students can connect easily from home. If your child is frustrated with online learning, struggles to keep focused long enough to complete homework, is often angry, sad, has difficulty sleeping or has any other behaviors that make it difficult to function during the day, reach out to your child's teacher about how to connect with Mrs. Reinke, or contact her directly at 262-415-7722 or at reinke@wlcfs.org.

Breakfast and Lunch will be available for pickup at St. Philip's Lutheran School while we are virtual.

WELCOME NEW FACULTY MEMBERS

Miss Sarah Enstad

Miss Sarah Enstad grew up in a suburb of the Twin Cities in Minnesota. She attended a Lutheran grade school there, then went on to Luther Preparatory School in Watertown, WI for high school. She graduated from Martin Luther College in the spring of 2011 with an Elementary Education degree as well as a certification in Staff Ministry. She spent her first five years teaching primary grades at Grace Christian Academy in Falls Church, VA. In the summer of 2016 she moved to Wisconsin to teach first and second grade in Hubertus. She is looking forward to starting her 10th year of teaching here at St. Philip's! She enjoys coffee, watching Netflix, and the Minnesota Twins.

Mrs. Grace Marquardt

Hello! My name is Mrs. Marquardt. I am thrilled to be working at St Philips as the new 6th grade teacher! I grew up between Anchorage, Alaska, and Houston, Texas. I later graduated with a teaching degree from Martin Luther College. I love Jesus, basketball, wrestling, Shakespeare, superheroes, and drinking as much coffee as I can get! I am eager to meet my students, and I cannot wait for the school year!
