BIBLE CLASS RESUMES – SEPTEMBER 10, 2023 at 9:30AM

Join us as we begin - What is worship and why do we do it? And why do we do certain things in church?

In a four-part study, September 10th through October 1st. Pastor Berg will walk through the concept of worship and explain why we do the things we do on Sunday morning. It might be surprising that the word “worship” is actually a bad word to describe biblical worship. We’ll start with the first church service – in the Garden of Eden – and then describe how worship is actually primarily God’s action towards us. We will also explain each part of the service (both in bible class and in the actual service on September 17th and 24th). In the end we will see that the classic divine service is not only pure gospel given to us but also a beautiful cultural artifact that Christians from every culture and every era share.

We hope you will join us starting September 10th at 9:30 am.
